All applicants must be pre-screened by management to determine whether they will benefit from this program. They also must be willing to abide by the rules and regulations governing this program.

ELIBILITY CRITERIA

1. Applicant must be alcohol and drug free.
2. Applicant must have a strong desire and be motivated to remain alcohol and drug free.
3. Applicant must be willing to maintain a recovery plan.
4. Applicant must be willing to live in a group environment, placing principals before personalities.
5. Applicant must be free of psychological and medical problems that would preclude their function in this program and group environment in which self-care is necessary.
6. Applicant cannot be on parole or probation and must not have legal obligations (child support, alimony, fines or probation fees) that would interfere with staying current with room and board fee.
7. Applicant must not have pending court dates that would interfere with this program.
8. Applicant needs admission fee (\$175.00) and one week (\$75.00) room and board payable in advance.
9. Applicant must bring a 30-day supply of any prescribed medication in an authorized container, have at least one refill available, and must provide facility with a self-med/PRN medication sheet.
10. Applicant must have recent (within last three months) TB Test and provide facility with results.
11. Applicant needs identification, a picture ID, Social Security card, and birth certificate.
12. Applicant must be able to work full-time and be willing to seek any work available.

Applicants applying for readmission to program must have left in good standing or show corrective action taken to reconcile any previous problem and they must meet with Director for consideration for readmission.
